Fink

Tired of being bored  
Bored of being tired  
Keeping up appearance  
You just appearing to be doing okay  
The cloud were just covers  
The cloud were just covers

The clouds walk past  
And when the do  
The skies are blue, yeah  
The skies are blue  
Oh, the sky is blue

So get up out of my bed  
Get up and own it  
Put on your Godhead  
Put on your Godhead  
Get up out of my bed  
Get up and own it  
Put on your Godhead

Happy being braver  
Braver being happy  
Driving people crazy  
You must be crazy  
To be driving them away  
The cloud were just covers  
The cloud were just covers

The clouds walk past  
And when the do  
The skies are blue  
The skies are blue, yeah  
The skies are blue, yeah yeah  
The skies are blue  
Ooh, the skies are blue, yeah  
The skies are blue, yeah

So get up out of my bed  
Get up and own it  
Put on your Godhead  
Put on your Godhead  
Get up out of my bed  
Get up and own it  
Put on your Godhead  
Put on your Godhead

Put on your Godhead [repeat until end]  
Yeah  
Put it on
