

Hour Golden

Fink

Hour Gold
Hour Golden
Hour Gold
Hour Golden

It's over your shoulder
It's the dead man's look

Lucky
Lucky you're so cute
Lucky
Lucky you're so cute

It's over your shoulder
It's the dead man's look

And if you walk, if you walk
I gotta queue, gotta queue
Just waiting
Round the next corner

It's over your shoulder
It's the dead man's look

Hour Gold
Hour Golden
Hour Gold
Hour Golden

It's the gold that glisters
In the moonlight
In the golden
Hour Golden

And the gold it glistens
In the moonlight
In the moonlight
