

I Don't See You As The Others Do

Fink

I don't see you as the others do
I don't see you as the others do
I don't see all the waves you make
I don't see all the hearts you break

All I see is, all I see is
Everything I, everything I
Need in a goddess
In a goddess

I don't look for where the bodies are buried
I don't look for where the bodies are buried
I don't buy what the others are selling
I don't buy all the lies they're telling

All I see is, all I see is
Everything I, everything I
Need in a goddess
In a goddess

I don't see you as the others do
I don't see you as the others do
I don't doubt what the others are saying
I don't care, I don't care, I don't care

All I see is, all I see is
Everything I, everything I
Need in a goddess
In a goddess

In a goddess
In a goddess
In a goddess
In a goddess
In a goddess
In a goddess
In a goddess
In a goddess
In a goddess
