

Q & A

Fink

People wanna know
Just how old I was
When I left home

People wanna know
Just how old I was
When I hit the road

People wanna know, they wanna know
Just how old I was
When I left the comfort zone

(?)

If it's time well spent
Found out at the end
At the Q & A

There was only time spending
On a happy ending
At the Q & A

People wanna know
If I'm having big fun

I don't care if you feet hurt
Oh no
I've got to run, got to run

Is it time well spent?
Find out where I went
At the Q & A

And it's only time spending
on a happy ending
at the Q & A
