

# Resurgam

Fink

Resurgam  
I will rise up  
I will rise again

Resurgam  
I will rise up  
I will rise again

The black diamond on the wall  
Pass the message  
The [?] than the soul

Resurgam  
Resurgam

I follow back down to the June  
Over the bridge where the  
Driver of the train will wave at me  
Just for me  
Just for me

Resurgam  
Resurgam

I will rise up  
I will rise again

I will rise up  
I will rise again

The red robin  
Followed me back one day  
From post to post  
All the way to the chapel  
Where I tied the knot

Resurgam  
Resurgam

(I will rise up)  
I will rise up  
I will rise again  
I will rise up  
I will rise again

Resurgam  
(I will rise up)  
(I will rise again)  
(I will rise up)  
(I will rise again)  
(I will rise up)

(I will rise again)
