

That's How I See You Now

Fink

I wonder what you're wearing now
Are you wearing your hair down?
Jealous of the company I keep
It's harder to be left than to leave
At least that's how I see it, that's how I see it
That's how I see you now

I see you zealous like a convert
Diving in headfirst
Blinded and excited and in love
Smiling on the way in to work
That's how I see it, that's how I see it
That's how I see you
That's how I see you now

I wonder where you're sleeping now
Are you letting your guard down?
Dancing like a feather in the wind
You deserve every moment of joy in your life
That's how I see it, that's how I see it
That's how I see you now
