

This Isn't A Mistake

Fink

No matter how you feel right now
This isn't a mistake
No matter how you feel
Staring out the window wide awake
Eyes wide open

This isn't a mistake
No no, this isn't a mistake
The past is end
The future is end either
Now is end
Mistake

Where you go?
How you get it
This isn't a mistake
Those who naked, nervous way
That break your heart you step for

This isn't a mistake
No no, this isn't a mistake
The past is end
The future is end either
Now is end
Mistake

Now end a mistake, oh
Coaster isn't a mistake
Isn't a mistake
Isn't a mistake
