

## Warm Shadow (Dactyl Remix)

Fink

What you got goin' on  
Behind those eyes closed, holdin' on  
I don't want another day to break  
Take our, steal our night away  
Warm shadow  
Warm shadow  
Won't you cast yourself on me  
What you got in store for me  
Keep those eyes closed, next to me

I don't want another day to break  
Take our, steal our night away

Instrumental

Mmm  
Mm-mm  
Warm shadow  
What you got in store for me  
Warm shadow  
Eyes closed, next to me  
Warm shadow  
What you got in store for me  
Eyes closed, night away
