

When I Turn This Corner

Fink

You are the most beautiful note I'll play
You are the most beautiful song I'll sing

And I will try to keep my promises
When I turn this corner. When I turn this corner
When our time begins

The sun weak as a kitten
Struggling to lie
Struggling to shine
On you the most
Igneous
Igneous

And I will try to keep my promises
When I turn this corner. When I turn this corner
When our time begins

Rising high
Our dreams. They lie
In wait for us

You are the most beautiful note I'll play
