FINNEAS

Stuck waitin' for you
On the dark side of the moon
With an unbeatable view, at a table for two

Texas calls to take me home
Spent too much time alone

Honey, what you runnin' from?
When you comin' back to bed?
Toss and turn it all night long with me instead
Honey, what you runnin' from?
Where the hell you headed to?
Do you like the way I run after you?

2001
Life or death, you did it for fun
But you flew too close to the sun
And look what you've done

Texas calls, you're out of range
They say they're pickin' up
Somethin' strange

Honey, what you runnin' from?
When you comin' back to bed?
Toss and turn it all night long with me instead
Honey, what you runnin' from?
Where the hell you headed to?
Do you like the way I run after you?

It doesn't have to
It doesn't have to be
Such an odyssey

Honey, what you runnin' from?
When you comin' back to bed?
Toss and turn it all night long with me instead
Honey, what you runnin' from?
Where the hell you headed to?
Do you like the way I run after you?

It doesn't have to
It doesn't have to be
Such an odyssey

It doesn't have to
It doesn't have to be
Such an odyssey
