

What's It Gonna Take To Break Your Heart?

FINNEAS

What's it gonna take to break your heart?
Do you think I'd even leave a mark?
And who you gonna call when it gets dark?
What's it gonna take to break your heart?

If you only knew the way I'd break for you, there's nothin' I can do
If you only knew, I don't mind makin' room, I just want more of you

What's it gonna take to break your heart?
Mmm, do you think I'll even leave a mark?

Bury all the power lines, cut out all the middlemen
We can play it rain or shine if it ever rains again
Tell me when you see the signs so I know it's happening
Lovers going back in time
Lovers going back to friends

And I don't think about it till it's too late
When you're not around, I don't appreciate it
I don't think about it till it's too late

What's it gonna take to break your heart?
Mmm, do you think I'll even leave a mark?

Oh honey, if you only knew the way I'd break for you, there's nothin'
I can do
If you only knew, I don't mind makin' room, I just want more of you

What's it gonna take to break your heart?
Who you gonna call when it gets dark?

Like you can't afford it
Like it's all imported
Like it's hard to score it
If you only knew
I've been waiting for it
Like you're Sunday morning
Like you're coffee pouring
I want more of you

Like you can't afford it
Like it's all imported
Like it's hard to score it
If you only knew
I've been waiting for it
Like you're Sunday morning
Like you're coffee pouring
I want more of you

What's it gonna take to break your heart?
