

I Want You

Fiona Apple

Oh my baby baby
I love you more than I can tell
I don't think I can live without you
And I know that I never will
Oh my baby baby
I want you so it scares me to death
I can't say anymore than "I love you"
Everything else is a waste of breath

I want you
You've had your fun you don't get well no more
I want you
Your fingernails go dragging down the wall
Be careful darling you might fall

I want you
I woke up and one of us was crying
I want you
You said "Young girl I do believe you're dying"
I want you
If you need a second opinion as you seem to do these days
I want you
You can look in my eyes and you can count the ways

I want you
Did you mean to tell me but seem to forget
I want you
Since when were you so generous and inarticulate
I want you
It's the stupid details that my heart is breaking for
It's the way your shoulders shake and what they're shaking for
I want you
It's knowing that she knows you now after only guessing
I want you
It's the thought of her undressing you or you undressing

I want you
she tossed some tatty compliment your way
I want you
And you were fool enough to love it when she said
"I want you"

I want you
The truth can't hurt you it's just like the dark
It scares you witless
But in time you see things clear and stark
I want you
Go on and hurt me now then we'll let it drop
I want you
I'm afraid I won't know where to stop
I want you
I'm not ashamed to say I cried for you
I want you
I want to know the things you did that we do too
I want you
I want to hear she pleases you more than I do
I want you

I might as well be useless for all it means to you
I want you
Did you call her name out as she held you down
I want you
Oh no my darling not with that clown
I want you, I do

I want you
You've had your fun you don't get well no more
I want you
No one who wants you, could want you more

I want you
I want you
I want you
Every night when I go off to bed and when I wake up
I want you
I'm going to say it once again 'til I instill it
I know I'm going to feel this way until you kill it
I want you
I want you
I want you
