

Collar of Fur

Fionn Regan

Wear this crown of light for you
On this August moon
Bring your voice of pearl to sing
Bring your lighting too
Collar of fur

Doors open onto the beach
Bring your houndstooth coat
You went out and came back in
And went out again
Collar of fur

(Ooh ooh ooh ooh) x2

I got a bridge to light
Leaving in the morning
Maybe I'll leave tonight
If you want, come with me
On that bridge to light
With your collar of fur

Wear this crown of light for you
On this August moon
