

Rapture (Fool Dem)

Fire From The Gods

I'm praying for the rains down in Africa
Bulletproof America
Senseless mass hysteria
Peace in my area
Murder per capital
On the rise in my area
Yo tell dem again
But dem nah listen
The people nah live right
The people live too wicked
Wake up, wake up
Open your eyes
Ghetto yout a chat reasoning
Deh pon the rise
Bredda tell me what's the plan
Feel like a sinister plot's at hand
Bredda keep unu head
Cuh dem wan see you quiet and dem wan see ya dead
So mi seh

Fool dem nah ave no vision
Fool deh pon death mission
Fool dem live so ignorant
Fool dem will mash up the land
Hypocritical living
That's what you're seeing
That's what you're hearing now
Cuh it's a fool dem that
Wear a dunce hat fi crown

Dem sick
Sick inna dem bloodclart head
Dem nah wan talk
Dem ah talk with the lead
Dem dead dem a duppy in the grave
Dem nah walk round with no heart or no brain

Dem ago dea by the gun
Cuh dem live by the gun
Soulless inside cuh the yout nah of none
Life in the dark cuh never see the sunshine
Bredda tell me what's the plan
When you look at me do you see a man
Bredda do you have a plan
When you look at me do you see us or them

Fool dem nah ave no vision
Fool deh pon death mission
Fool dem live so ignorant
Fool dem will mash up the land
Hypocritical living
That's what you're seeing
That's what you're hearing now
Cuh it's a fool dem that
Wear a dunce hat fi crown

Is the world colder

Tings outside get a little bit hard yeah
Should I say a prayer
Ask jah jah fi come back and start the rapture
Think about this bredda next time
You ah look pon man and press trigger
Use your brain hot steppa
Just cool and relax unu self

Fool dem nah ave no vision
Fool dem deh pon death mission
(Crown yourself as king, you're king of nothing)
Fool dem live so ignorant
Hypocritical living
That's what you're seeing, that's what you're hearing now
Cuh it's fool dem that
Wear a dunce hat fi crown

Fool dem nah ave no vision
Fool dem deh pon death mission
Fool dem live so ignorant
Fool dem will mash up the land
Cuh it's a fool dem that
Wear a dunce hat fi crown
Wear a dunce hat fi crown

Fool dem nah ave no vision
Fool dem deh pon death mission
Fool dem live so ignorant
Fool dem will mash up the land
