Fireboy DML

Yeah yeah, ouuu...

So many things wey dey bother man
Stress from friends and family and brotherman
Man living like an animal
When a problem goes, life comes with another one
But I'm a god, I'm a stronger man
I be different breed, my kind no be normal one
I'm not tryna be the number one
So many legends dey
I'm just tryna be another one

But sometimes
E dey be like say I wan manya oh
All the pressure and the wahala oh
E dey be like say I don tire
Sometimes
E dey be like say I wan manya oh
All the pressure and the wahala oh

I just wanna be alone
I don't wanna see no message on my phone
Nothing dey do me, you should know
I just feel like I should do this on my own
I just wanna be alone

If no be love, na money palava
If no be stress, na woman and drama
Competition people dey para
Too much beef when I no be mallam
Na God dey do am, no be my power
Grace na koko, the talent na jara
So I lock myself inside my yara go down on my knees, and I call on ba
ba

'Cause sometimes
E dey be like say I wan manya oh
All the pressure and the wahala oh
E dey be like say I don tire
Sometimes
E dey be like say wan manya oh
All the pressure and the wahala oh

I just wanna be alone
I don't wanna see no message on my phone
Nothing dey do me, you should know I just feel like I should do this
on my own
I just wanna be alone
I don't wanna see no message on my phone nothing dey do me, you should
know
I just feel like I should do this on my own I just wanna be alone
(Sometimes, uh yeah yeah)
