Compromise  
Na because of you I compromise  
Na because of you I compromise  
Many things wey I no dey do  
But because of you  
I don dey compromise  
Okiemute, would you come tonight?  
Should I come to yours or you come to mine?  
Anyhow e be, we go compromise  
Eh eh, ah

Cause she's in love  
No no I don't feel insecure balls down on the trust  
I know all the sacrifices I made for her and the one she made for me  
(If I fuck up)  
Baby please don't leave

The one I need  
Omotoshun omo to bad make me dey mara o  
Different ways dey wey me and you take dey compromise for love  
For you me I fit to go to war

Compromise

Anyhow e be, we go compromise

I no go mind if you pass the night  
I no get answer if you ask me why (no)  
All that I know is I love you  
And I cannot let this moment pass me by  
I looked into her eyes and asked her 'what is love?'  
She say 'love is sacrifice'  
If I have to die  
Bring me back to life  
Call on me, call on me  
Anytime you need me just call on me  
Kolobi, kolobi  
Say na only you I want to kolobi  
Iwo nikan lo mo color mi  
Iwo nikan ni mo le soro si  
Iwo nikan ni mo le gboran si  
Iwo nikan lo le gba ponron mi

Compromise  
Na because of you I compromise  
Na because of you I compromise  
Many things wey I no dey do  
But because of you  
I don dey compromise  
Okierute, would you come tonight?  
Should I come to yours or you come to mine?
