

Dreamer

Fireboy DML

You left my messages unread, too busy loving someone else
You left so many words unsaid, have I been lying to myself

Am I only a dreamer
Am I only a dreamer

If you had no plans to be here why did you have to lead me on
I'll take what's left and disappear if that's what you really want

Oh oh

Boba ni oni femi, mio ni mu e si

You left so many words unsaid have I been lying to myself

Am I only a dreamer
Am I only a dreamer

Am I only a dreamer
Oh, am I only a dreamer

You left my messages unread, too busy loving someone else
You left so many words unsaid, have I been lying to myself
