

Feel

Fireboy DML

(Sound)
(Cracker, Cracker, Cracker)

Look into my eyes when I'm singing to you
Take this love that I'm bringing to you
Don't tell me all this got no meaning to you
Take this love that I'm bringing to you
Oh no

'Cause I need you to feel my love in your soul
I need you to feel my touch on your body
I need you to feel my love in your soul
I need you to feel, feel, feel

We can't be friends
It's making sense
It's too immense, it's too intense
You're calling me baby
Driving me crazy just like Benz
I'm losing patience
Oh no, no, I'm losing sense, ah
We can't be friends, oh no, no, no
We can't pretend

Look into my eyes when I'm singing to you
Take this love that I'm bringing to you
Don't tell me all this got no meaning to you
Take this love that I'm bringing to you
Oh no

'Cause I need you to feel my love in your soul
I need you to feel my touch on your body
I need you to feel my love in your soul
I need you to feel, feel, feel

Around the world, I done go
I can't find nobody like you
My heart and my soul
I'm giving you my all
My heart, don't go
I'm begging you stay with me
My heart, don't go
'Cause I want you to feel

'Cause I need you to feel my love in your soul
I need you to feel my touch on your body
I need you to feel my love in your soul
I need you to feel, feel, feel
