

High On Life

Fireboy DML

(Ah ah ee, ah ah ouu...)
(Ridimacoolayo!)

My life is a melody
Making money, making love, making memories
Blessings follow me
One time for the people wey dey always pray for me
Love and harmony, peace and joy more life to my enemies
I need nobody just me ko de s'elomi
My life is a melody
Make money and make time for my family
One man fellowship
Bring more cups and pour more Hennessy
Love and harmony
Peace and joy, more life to my enemies
I need nobody just me ko de s'elomi

(Ah ah ee, ah ah ouu...)
