

# I'll Be Fine

Fireboy DML

All the pain of yesterday  
I go forget am tomorrow  
That is one thing that they don't know  
It is hard to find a way  
But I am just too proud to say so  
I will always find a way home  
I won't lie I ran away  
From the pain and all the sorrow  
And I couldn't bear to stay  
But I gats grind for Mama's sake  
And I got music for the pain  
One day I'll find a way

They say I'm good I get talent  
But I'm not ready for this challenge  
Only me for this planet  
And I'm scared I no go lie  
What if I never get to blow  
What if no one gets to know

But I'll be fine  
I'll be fine  
I will wait here till the rain goes  
One day I will see the rainbow  
I'll be fine I'll be fine  
There's no need to worry for me  
I'll be fine

I no dey wait for time again  
Cos e dey do me like shadow  
E dey play me like piano  
This hustle must to pay  
How I go take do am I no know  
But this road I gats to follow

They say I'm good I get talent  
But I'm not ready for this challenge  
Only me for this planet  
And I'm scared I no go lie  
E be like say I don dey blow  
What if no one gets to know

But I'll be fine  
I'll be fine  
I will wait here till the rain goes  
One day I will see the rainbow  
I'll be fine I'll be fine  
There's no need to worry for me  
I'll be fine
