

Fàlàlà falala
Make I dey fàlàlà falala
Blessings on blessings upon my life
Till they see me for Valhalla
Mama say make I listen to Jah
Make I no reason too far
Man I've been living too fast
Make I dey chill and relax
Life has been good to me
I do not take this with levity
Nothing is new to me but low-key I'm grateful for everything
The good and the bad and the ugly
All of the joy and the suffering
And then it dawn on me, all that I seek is in front of me

Isẹ Oluwa ko s'ẹni to yẹ
Bi mo ẹ se se, mio mọ
I just dey stay on my grind everyday
I keep my eyes looking up
As you dey see I give the glory to God
As you dey see I give the glory to God
Isẹ Oluwa ko s'ẹni to yẹ
Bi mo ẹ se se, mio mọ
I just dey stay on my grind everyday
I keep my eyes looking up
As you dey see I give the glory to God
As you dey see I give the glory to God

One man food is another man's poison, leave me to make my own choices
Only see me with the people wey love me, love to the ones that have lost me
I came from nothing, made it to something, but every day I'm still working
Send me my money, pay me my money, anything else ko ma kan mi
2024, I pray to God make I no follow
Bi mo se n lọ, bi mo se n bọ, Oluwa sọ mi o
Don't know tomorrow, save me from sorrow
Ra'le, ra mọtọ
Nothing is ever enough o

Isẹ Oluwa ko s'ẹni to yẹ
Bi mo ẹ se se, mio mọ
I just dey stay on my grind everyday
I keep my eyes looking up
As you dey see I give the glory to God
As you dey see I give the glory to God
Isẹ Oluwa ko s'ẹni to yẹ
Bi mo ẹ se se, mio mọ
I just dey stay on my grind everyday
I keep my eyes looking up
As you dey see I give the glory to God
As you dey see I give the glory to God

(Isẹ Oluwa ko s'ẹni to ye)
