

# Need You

Fireboy DML

You sweet pass mango, you sweet pass agbalumo  
No know where I wan go omo mi o ma tadunmo  
Na only you fit heal me, baby don't go  
You said lets be friends oh, let's take it gently baby  
Me I no get Benz oh, I no get Bentley baby  
All I got is love for you (for you)

Baby shon gbo  
Pe mi l'oruko  
Fa mi n'irugbon  
Nko ton so koma ni itumo  
Don't listen to them, you don't need rumours  
I know you need me but I need you more

Oh ma lover  
Anytime you call me baby  
You know that it makes me lose control (control)  
I want to love you like I've never loved before  
My lover

You know I miss you like an idiot misses the point  
I need you like eko needs moi moi  
Can't do without you girl like two sides of a coin oh (coin oh) ahh  
We made love more than memories  
But in my song you're my melody  
You're the only one that can be there for me  
I need you now more than ever (now more than ever) ohh

Baby shon gbo  
Pe mi l'oruko  
Fa mi n'irugbon  
Nko ton so koma ni itumo  
Don't listen to them, you don't need rumours  
I know you need me but I need you more

Oh ma lover  
Anytime you call me baby  
You know that it makes me lose control (control)  
I want to love you like I've never loved before  
My lover

Love me while you can cos time no dey, time no dey  
It's only once in life  
Love me while you can baby oh yeah oh yeah ahh  
Love me while you can time no dey time no dey time no dey oh  
Love me while you can cos time no dey time no dey cos

Baby shon gbo  
Pe mi l'oruko  
Fa mi n'irugbon  
Nko ton so koma ni itumo  
Don't listen to them, you don't need rumours  
I know you need me but I need you more

Ma lover, ma lover...
