

One Of A Kind

Fireboy DML

See I'm one of a kind
Been a go-getter all of my life
From the place where the sun never shines
So I dey on the grind all the time, all the time, all the time
Got a lot on my mind
I've been writing the songs of my life
Many tears wey don fall for my eyes
So today I go chop all my life

Ani lotun losi oh
Omo meji meji oh
Oun mi langba langba
Ni se lon mi langba langba
Sisi peperempe
Jen rowo e loke oh
Oya dance and go crazy
Owo yen wa necessary oh, oh, oh-oh

Sitting on the chair mo den think about life mi
Life mi oshen kan ti mo n think about lightly
Think about knife tori wonle backstab mi
Niggas shine white teeth but wonshi back bite mi

Think about home 'cause my life like a road trip
Think about throne cos I feel like I'm chosen
If I keep my eyes closed omo wonle blind fold mi
Think about my goals when I feel like I'm folding

The clock ticking mo mo time must tell
Any how e be omo man must flex
Got my mind heavy and it can't compress
I need to have some Hennessy and then have some girls

Cooking no apron
When my work done I go play small
People never know what my life is based on
Fire fun min through pass e say make I make run

Oti lotun losi oh
Omo meji meji oh
Oun mi langba langba
Se lon mi langba langba
Sisi peperempe
Jen rowo e loke oh
Oya dance and go crazy oh
Owo yen wa necessary oh, oh, oh -oh

Shopla
Omo meji, we riding around the town in a Mercedes
Put a shawty on a wages
Oluwa sho mi, life is crazy

Haters talmbout say na bad pass
Don't give me all of that crap
All my girls mo ti pe won, won wa
Awon boys ton ba ri'ke won ja

The juice worth the squeeze of the fruit of my labor
We go to work straight when we wake up
Around the clock we got no days off
I know this life sweet I got a taste of it

See I'm one of a kind
Been a go-getter all of my life
From the place where the sun never shines
So I dey on the grind all the time, all the time, all the time
Got a lot on my mind
I've been writing the songs of my life
Many tears wey don fall for my eyes
So today I go chop all my life

Oti lotun losi oh
Omo meji meji oh
Oun mi langba langba
Ni se lon mi langba langba
Sisi peperempe
Jen rowo e loke oh
Oya dance and go crazy
Owo yen wa necessary oh, oh, oh-oh
