

Outside

Fireboy DML

I've been on the road for way too long, oh
(If you need me you can catch me outside)
And I don't do too much, don't say too much, oh
(But if you need me you can catch me outside)
Ahn ahn, ohh ohh
(If you need me you can catch me outside)
Yeah, yeah, yeah, yeah-yeah
(If you need me you can catch me outside)

Catch me outside tonight
Out here with all my guys
I'm never satisfied
But I still love my life
Mo n jaye
Characteristics of bọbọ
No jagbajantis for bọbọ
Ẹ fi wọn silẹ k'ọn wọle
Ko rale, ko rale
Owo igbo ni, ko rale
Characteristics of bọbọ
No jagbajantis for bọbọ, oh

I've been on the road for way too long, oh
(If you need me you can catch me outside)
And I don't do too much, don't say too much, oh
But if you need me you can catch me outside
Ahn, ahn

Eh God
Tell me why dem no go hate us
For every lungu na dem dey feel us
Make dem dey talk, dem commentators
(Cho cho cho cho cho)
Boys wanna look like me
And the girls wanna whyne pon me
Stay fly till my time complete
And my time is a brand new piece
I'm balling, I'm balling
Girls love me, I'm touring
Hotbox in a Escalade
Before we enter hotbox and we make it rain
Emeka must shine
Kele must whine
No fit stop me after all this time

I've been on the road for way too long, oh
(If you need me you can catch me outside)
And I don't do too much, don't say too much oh
(But if you need me you can catch me outside)
Ahn ahn, ohh ohh
(If you need me you can catch me outside)
Yeah, yeah, yeah, yeah-yeah
(If you need me you can catch me outside)
