

# Remember Me

Fireboy DML

(Remember me... tin ba ti lo...)  
(Ri Ridimakulayo)

Of the mountains I have climbed  
Travelled between space and time  
Tell them my story, my struggles and my glory  
Don't leave anything behind (Remember me)  
Tell them of the songs I sang  
That I was not a lonely man  
Tell them that I lived my life  
With kindness in my eyes and love inside my heart  
And I hope they will

Remember me tin ba ti lo (Ba ti lo)  
Ti n ba le soro mo  
T'oba ti tan  
Ti n ba ti lo  
Remember me

(Remember me)  
Remember  
Remember me  
Remember me

One day when it is your time  
You will leave this world behind  
All the things you said and did  
Will be your legacy  
Ooh ooh  
For you see, life is like a song  
It doesn't just go on and on  
There is an end to everything  
So as you dance and as you sing  
Make the most of the melodies  
And I hope they will

Remember you  
To ba ti lo  
Remember you  
T'oo ba le soro mo  
T'oba ti tan  
To ba ti lo  
Remember you

Remember me
