Fireboy DML

Make I be like tattoo for your body
When you need that bamboo just call on me
Let me be beside you
Or maybe inside you
Make I put am for your body

Darling
I'm calling you
You're falling
Well, I'm falling too
Oh, darling
I'm calling you
You're falling
And I'm falling too, yeah yeah

I dey see the pure desire oh
Make you no go try deny am
Deny am, yeah yeah
Water no go quench the fire oh
Nothing wey go kill the fire
The fire, yeah yeah
I dey see the pure desire oh
Make you no go try deny am
Deny am, yeah yeah
Water no go quench the fire oh
Nothing wey go kill the fire
The fire, yeah yeah

You been running through my mind, you be Usain bolt (oh)
My fingertips on your hips
