Wait And See

Fireboy DML

One man, one city, one night
One street, one journey, one dream (Aheh)
One chance, one opportunity, you no get as the matter wan be (Aheh)
Nobody can be like me
So many sacrifices (Aheh)

Ti moti be'ledami soro
Ti mo ti gba'dura ni koro
But them people say
Won so funmi, ki lon se?
Mi so fun won wait and see
Won so funmi, ki lon se?
Mi so fun won wait and see
Won so funmi, ki lon ko?
Mi so fun won, wait and see
Won so funmi, ki lon se?
Mi so fun won wait and see ye, ye

Ye, ye, ye...
Wait and see ye ye
Ye, ye, ye...
Wait and see ye

Wait and see my guy, wait and see
The people wey bin dey hate them plenty
Them bin dey wait make I fail patiently
They wan steal my shine onye oshi
I'm just tryna survive, I just wanna win
But these enemies, dey wan corner me

Ti moti be'ledami soro

But them people say
Won so funmi, ki lon se?
Mi so fun won wait and see
Won so funmi, ki lon se?
Mi so fun won wait and see
Won so funmi, ki lon ko?
Mi so fun won, wait and see
Won so funmi, ki lon se?
Mi so fun won wait and see ye, ye

Ye, ye, ye...
Wait and see ye ye
Ye, ye, ye...
Wait and see

One man, one city, one night, one street, one journey, one dream
One chance, one opportunity, you no get
As the matter wan be (As the matter wan be)
Nobody can be like me (Nobody can be like me)
So many sacrifices (So many sacrifices)
Ti moti be'ledami soro
