

I Got A Line On You

Firefall

Let me take you, baby, down to the riverbed
Got to tell you something, go right to your head

(I, I got a line) I got a line on you, baby
(I got a line on you, babe)
(I, I got a line) I got a line on you
(I got a line on you, babe)

Gotta put your arms around me with every bit of your love
If you know what to do when I talk to you
'Cause you got the right line to make it through these times

(I, I got a line) I got a line on you, baby
(I got a line on you, babe)
(I, I got a line) I got a line on you
(I got a line on you, babe)

(I, I got a line) I got a line on you, baby
(I got a line on you, babe)
(I, I got a line) I got a line on you
(I got a line on you, babe)

Now listen
My winter's almost over, the summer, she's coming on strong
I can love you, love you, love you, love you all year long

(I, I got a line) I got a line on you, baby
(I got a line on you, babe)
(I, I got a line) I got a line on you
(I got a line on you, babe)
(I, I got a line) I got a line on you, baby
(I got a line on you, babe)
(I, I got a line) I got a line on you
(I got a line on you, babe)
