

# Long Train Runnin'

Firefall

Down around the corner  
Half a mile from here  
You see them old trains running  
And you watch 'em disappear  
Without love  
Where would you be now?  
Without love

You know I saw miss Lucy  
Down along the tracks  
She lost her home and her family  
And she won't be coming back  
Without love  
Where would you be right now?  
Without love

Well the Illinois Central  
And the Southern Central Freight  
Got to keep on pushing mama  
'Cause you know they're running late  
Without love  
Where would you be now, na-na-now?  
Without love

Well the Illinois Central  
And the Southern Central Freight  
You gotta keep on pushing mama  
'Cause you know they're running late  
Without love  
Where would you be now?  
Without love

Well pistons keep on churning  
And the wheels go round and round  
And the steel rails lie cold and hard  
On the mountains they go down  
Without love  
I said where would you be now, na-na-now?  
Without love

Ooh, where would you be now?

Ooh, got to get you, baby  
Baby, won't you move it down?  
Won't you move it down?  
Baby baby, baby baby, won't you move it down? Alright  
When the big trains run  
And you watch 'em disappear  
They keep on moving  
They gotta keep on moving  
They gotta keep on moving  
Yeah  
Big trains run  
Oh yeah  
Keep on running
