

World Turning

Firefall

Everybody's trying to say I'm wrong
I just wanna be back where I belong

World turning, mm
I gotta get my feet back on the ground
World turning
Everybody's got me down

Maybe I'm wrong, but who's to say what's right?
I need somebody to help me through the night

World turning, mm
I gotta get my feet back on the ground
World turning
Everybody's got me down

Maybe I'm wrong, but who's to say what's right?
I need somebody to help me through the night

World turning, mm
I gotta get my feet back on the ground
World turning
Everybody's got me down
World turning, mm
I gotta get my feet back on the ground
World turning
Everybody's got me down

World turning
Everybody's got me down
World turning, mm
Everybody's got me down

Everybody's got me down
My world is turning
Everybody's got me down
World turning
World turning
World turning
