

# Who We Are

## Fireflight

Wake up!  
Our time is coming, we're rising from the fall  
Time's up!  
The tide is turning, we're answering the call  
We've been apathetic, we've been hiding too long  
Stuck in automatic, like nothing is wrong  
Wake up!  
Our time is coming, we're knocking at the walls

Heartbeat racing, fever is breaking  
Come on, let's go, go, go!

Never gonna let, never gonna let, let them take our heart  
Never forget, never forget, this is who we are  
We're the ones that the world needs now  
Never forget, never forget, this is who we are

Rise up!  
We're only starting to see what is to come  
Step up!  
Seize your moment before the day is done  
We've been apathetic, we've been hiding too long  
Stuck in automatic, like nothing is wrong  
Rise up!  
Our time is coming, we're tearing down the walls

Heartbeat racing, fever is breaking  
Come on, let's go, go, go!

Never gonna let, never gonna let, let them take our heart  
Never forget, never forget, this is who we are  
We're the ones that the world needs now  
Never forget, never forget, this is who we are  
Who we are!

Heartbeat racing, fever is breaking (this is who we are)  
Heartbeat racing, fever is breaking (this is who we are)  
Heartbeat racing, fever is breaking (this is who we are)  
Heartbeat racing, fever is breaking (this is who we are)

We're born to be  
The love they see  
It's up to you and me, you and me

You and me, you and me (this is who we are)

Never gonna let, never gonna let, let them take our heart  
Never forget, never forget, this is who we are  
We're the ones that the world needs now  
Never forget, never forget, this is who we are  
Who we are!  
(This is who we are!)
