

Love to Run

Firefox AK

You wanted me to be in time
And therefore
I ran I ran so fast
At last

The first one came swooshing by
And the second one hit me in the eye
That's right

Cause I was shot down
Honey shot down
I was shot down honey

It was pointless fight where no one wins
Where I was the unlucky one to get hit
To get hit

You wanted me to be in time and therefore I ran
I ran so fast
At last

Cause I was shot down
Honey shot down
I was shot down honey
