Dream

Firehouse

I bet I've seen that face a hundred times or more Then you shed a tear What do you want from me? Is it something more than I can give? Just let me know Then you walk in my arms and say I need you more today

Dream baby dream Kiss me goodnight and I'll rock you to sleep Dream baby dream.... just slippin' away

Sometimes I'm so afraid there's nothing I can do You're always on my mind You know my hands were tied, and you know how hard I tried To never let you go Then you walk in my arms and say goodbye

Dream baby dream Kiss me goodnight and I'll rock you to sleep Dream baby dream.... just slippin' away

Down on my knees I pray for you every day I've been alone since you went away

Dream baby dream Kiss me goodnight and I'll rock you to sleep Dream baby dream.... just slippin' away
