

Beautiful Tan

Fireside

This is my own fault, this is my own fault
Secret relations followed by secret lies
But everybody has got their own something
I'll bet you've got something that I'll never know

Would I like to know
Would I like to know
Falling, I'm falling for you
Falling

You started something I never really wanted
You've got your life
Why don't you stick to that
I never wanted, I never wanted
But then it happened
But then it happened I fell
