

Headacher

Fireside

I thought about leaving
But I couldn't see the fun in that
I thought about dying
But I haven't found the right way yet

Could it be so hard for you
To forget about the past?
Would it help you if I said
Just how happy I was with you?

I was so happy with you

Hardly on the same floor
Hardly from the same core

Things that I collect
You'll hate 'em in a while
But I don't think you'll tell me
Just 'cause you want me to smile

I've never felt so lonely
Never felt so insecure
Don't you know I love you only
But we're still on different floors
