

All My Life

Firewind

As long as I could remember
I've always had a dream
Weightless into the unknown
Like a laser beam

Rockets scribbled on paper
That's how all began
Fantasies of my childhood
Turned into a plan

Dream your day away
Cause I can say
Nothing's out of reach

All my life
I followed my own dreams
All my life
I'm reaching for the stars
In all my life
All my life

The path was not very easy
Many years have passed
But here I am and I'm drifting
It's a blast

Dream your day away
Cause I can say
Nothing's out of reach

All my life
I followed my own dreams
All my life
I'm reaching for the stars
In all my life
All my life

All my life
I followed my own dreams
All my life
I'm reaching for the stars
All my life
I never threw my dreams away
All my life
I'm reaching for the stars
In all my life
