## **Edge of a Dream**

Didn't mean to cause you trouble. Didn't mean to cause you pain. I never thought this could turn out this way, Maybe I am a big mistake.

Didn't mean to say these words. Didn't mean to hurt your pride. We are looking far some inspiration, I never found it in your heart.

Walking on the edge of a dream. Cant you see that I am real? Pretend that it's for ever! Walking to the edge of the world, We belong in our dream, For a while you feel the silence.

Only looking for forgiveness And when the ship is sinking fast I only looking for a sign that tells me Where I can walk through this endless field.

Walking on the edge of a dream. Cant you see that I am real? Pretend that it's for ever. Walking to the edge of the world, We belong in our dream, For a while you feel the silence. Waiting for the weight of the world In a place so cold! If tomorrow never comes Hold my hand one last time, one last call If tomorrow never comes!

Tomorrow never comes...
