

Rising Fire

Firewind

I've got to find the way
I'll live to see the day
No-one is gonna stop me now
You thought I wouldn't make it
You thought I couldn't take it
I don't need you to show me how

Rising fire
I will follow my heart's desire
I won't stay cause you crossed the wire
Leave it all behind and go higher
Feel the burn cause I'm on fire!

I'm on fire!

You say it's complicated
Over exaggerated
But you won't look me in the eye
Your ways are tedious
Your acts insidious
And this is where I draw the line

Rising fire
I will follow my heart's desire
I won't stay cause you crossed the wire
Leave it all behind and go higher
Feel the burn cause I'm on fire!

Rising fire
I will follow my heart's desire
I won't stay cause you crossed the wire
Leave it all behind and go higher
Feel the burn!

Rising fire
I will follow my heart's desire
I won't stay cause you crossed the wire
Leave it all behind and go higher
Feel the burn cause I'm on fire!

I'm on fire!
