

Have Fun Tonight

Fischerspooner

We come together sweetly
Have fun tonight
We come together sweetly, man
Even when I've had enough
Go live it up, man
We come together sweetly
Have fun tonight
Have fun tonight
Go off, go off
Go out tonight
Go off, go hard, and loose
The way we groove, it works for me
I know it works for you
Get out, get off, get on, get in
I'm in it with you too
I love you so, I set you free
And you set me free, too
Have fun tonight
Man

We come together sweetly
I want to hold you near
Now go have fun without me
You know that I'll be here
We come together sweetly, man
Have fun tonight

We come together sweetly, man
Have fun tonight

Have fun tonight

You know that I'll be here

I know that we completely
Complete each other, man
I can't imagine anyone
Can love you like I can
Remind me that thing I do for you
Remind me that thing I do
Before we part ways tonight, my love
Before we part ways tonight

We come together sweetly
I want to hold you near
Now go have fun without me
You know that I'll be here
We come together sweetly, man
Have fun tonight
We come together sweetly, man
Have fun tonight

Have fun tonight
