

All About Us

Fishbone

Forget about what you think
Or what you wanna do
It's all about us not you
So hand it over to the crew
You might as well disregard
Your previous solo plan
Got to give it to the Klan
Split it up amongst the band

Us us us us
Us us us us
It's not about you so get used to us
For a revolutionary coup in progress
It ain't about you, it's us

If it ain't our idea, then don't bring it near
If it ain't a part of this mob, then you ain't got the job
It's all about the gang
One mind, one movement, one goal, one thang
You might get our feelings hurt
If you focus on yourself instead of the herd

It's about us us us us
Drop your baggage and stop your fuss
Us us us us
Take away the minus and add the plus
It's not about you so get used to us
In this community effort
For a revolutionary coup in progress
It's ain't about you, it's us
