Monkey Dick

Fishbone

Sitting in a cage all day long Smelling monkey
nutts buy the odors strong Ya can't believe they
do this Leve ya in a pile of urine jelly walls
My nutts the itch rott My dick it burn hott
Straight got the monkey dick Straight got the burn
in cage itch Straight got the monkey dick
Get me soap and water quick The fumes oh how
they burn Those stars how they turn Oh how I
yearn to get to air again Oh the sea breeze but I'm
down on my knees My nuts the itch rott
My dick it burn hoot Straight got the monkey dick
Straight got the in cage itch Straight got the
monkey dick Get my nutts to air shit
Burn, burn, burn, my shit is burnin' Burnin' like a
barbecue pit full of coals Yearnin' like a man too
old Where the hell else I'm gonna go
My nutts they itch rott My dick it burn hott
Straight got the monkey dick Straight got the burn
in cage itch Straight got the monkey dick
Get my nutts to air quick shit!!
