

# Some Kind of Christmas

Fitz and the Tantrums

There's a time in late December  
Where there's only joy and laughter  
When the fates bring us all together  
Together again

It's a love that we remember  
It's some some some some kind of Christmas  
The magic in the air this year  
Some kind of Christmas  
Our hearts so full of hope and cheer

It's the glow of the lights  
The naughty and nice  
Snowflakes like those got so winter white  
Cherish every moment  
'Cause we don't want to miss this  
Some kind of Christmas

In late December  
Only snowglobe perfect weather  
Making memories here forever with strangers and friends  
It's a fun that we remember  
It's some some some some some kind of Christmas

There's magic in the air this year  
Some kind of Christmas  
Our hearts are full of hope and cheer  
It's the kiss, mistletoe  
The ribbons and bows  
The radio echoes from Nat King Cole  
Cherish every moment  
'Cause we don't want to miss this

So gather round the fire glow  
Stories that we share from long ago  
Carolers outside our door  
Every word's a lullaby we know  
Rum bum bum bum, rum bum bum bum bum bum  
It's some some some some some kind of Christmas

The magic in the air this year  
Some kind of Christmas  
Our hearts are full of hope and cheer  
It's the glow of the lights  
The naughty and nice  
Snowflakes like those got so winter white  
Cherish every moment  
'Cause we don't want to miss this
