

## Burn MF

## Five Finger Death Punch

My heart is frozen  
My soul's been broken  
The whole world's on my motherfucking shoulders  
And I can't seem to control it

I can't contain it  
And I just don't give a shit  
You need to feel the way that I feel  
Or you'll never fucking know it

Burn mother fucker, burn mother fucker, burn  
You tried but you can't reach me  
Burn mother fucker, burn mother fucker, burn  
There's nothing you can teach me  
In hell mother fucker, burn mother fucker, burn  
I swear you're out to get me  
Burn mother fucker, burn mother fucker, burn  
I'd live but you won't let me  
Burn!

You're life's been wasted  
You'll die forsaken  
You act like the world's on your shoulders  
But it's not there so you fake it

Do you embrace it?  
How do you take it?  
I'll never feel the way that you feel  
I'd rather fucking break it

Burn mother fucker, burn mother fucker, burn  
You try but you can't reach me  
Burn mother fucker, burn mother fucker, burn  
There's nothing you can teach me

In hell mother fucker, burn mother fucker, burn  
I swear you're out to get me  
Burn mother fucker, burn mother fucker, burn  
I'd live but you won't let me

Burn mother fucker, burn mother fucker, burn  
Burn mother fucker, burn mother fucker, burn  
Burn mother fucker, burn mother fucker, burn  
Burn mother fucker

Burn

Burn

Burn!

Burn mother fucker, burn mother fucker, burn  
Burn mother fucker, burn mother fucker, burn  
Burn mother fucker, burn mother fucker, burn  
Burn mother fucker,  
Burn mother fucker, burn mother fucker, burn  
You try but you can't reach me

Burn mother fucker, burn mother fucker, burn  
There's nothing you can teach me  
In hell mother fucker, burn mother fucker, burn  
I swear you're out to get me  
Burn mother fucker, burn mother fucker, burn  
I'd live but you won't let me  
Burn! Burn!
