### Five For Fighting

I got a thing for fish with no eyes  
Who swim deep in the sea  
With nothing to see

I've got a thing for mountains of sand  
Left all to their own  
To quietly stand

Won't you help me now

Take me to the bottom of  
Take me to the bottom of  
Take me to the bottom of, the ocean

I got a thing for mermaid tails  
Swim naked with me  
Your hair of seaweed h

I got a thing for sunken shipwrecks  
With booty of gold  
I don't care if it's wet

Won't you help me now

Take me to the bottom of  
Take me to the bottom of  
Take me to the bottom of, the ocean

I don't need no air.
