

# Don't Let Me Be The Lonely One

Five Star

Sitting by the water  
Thinking of the night we met  
And saying "I love you, my baby"  
We couldn't have been closer  
When you held me in your arms  
And knowing completely what we shared

No one ever wants to be the lonely one  
So baby, why'd you say to me "I gotta go"?

I don't wanna live without you  
Don't let me be the lonely one  
Oh baby, why'd you set me free  
For now and forever  
You said that I'd be the only one  
Baby, come back to me

Hearing that love song  
The one that takes me back  
To when you first kissed me  
It couldn't have been stronger  
Those feelings inside of me  
I love you so deeply  
Couldn't you see

No one ever wants to be the lonely one  
So baby, why'd you say to me "I gotta go"?

I don't wanna live without you  
Don't let me be the lonely one  
Oh baby, why'd you set me free  
For now and forever  
You said that I'll be the only one  
Baby, come back

Did it something happened  
That I did not realize  
Or is it all in your mind  
What you're searching for  
I'm reaching out to you now  
I just want you to understand  
Can we start over  
Or is this goodbye?

How did you go, baby?...  
Baby, no... oh oh oh yeah  
I need you, I want you baby
