

Knock Twice

Five Star

If you need to hold me, baby
Tell me tonight
I'm your lady

All this time I've needed your loving
I know you care, it's not the same
But this time I'm gonna make it clear
I want you near me each and every day

You never look, never look my way
You just turned and walk away
But there's one thing I can't delay
Learn by these words I say, ooh, baby, yeah

Knock twice
If you need to hold me, baby
Tell me I'm your lady tonight
Knock twice, baby
Come on, tell me I'm your only
Love me 'cause I'm lonely at night
Knock twice, darling
Give me all I really needed
Nothing more is pleasing
Than for you to knock twice

Now you're here, I guess I've won your love
I know your love is gonna stay
But just holding me just not enough
I need your love every day

You never look, never look my way
You just smiled every time my way
But now it seems that our love will last
Hear these words I say, ooh, baby, yeah

Knock twice
If you need to hold me, baby
Tell me I'm your lady tonight
Knock twice, baby
Come on, tell me I'm your only
Love me 'cause I'm lonely at night
Knock twice, darling
Give me all I really needed
Nothing more is pleasing
Than for you to knock twice

Knock twice
If you need to hold me, baby
Tell me I'm your lady tonight
Knock twice, baby
Come on, tell me I'm your only
Love me 'cause I'm lonely at night
Knock twice, darling
Give me all I really needed
Nothing more is pleasing
Than for you to knock twice
