

# That's The Way I Like It

Five Star

Hear we go  
Mmm, that's the way I like it  
Mmm, yeah baby, woh

I wanna to get to know you  
But you're so hard to reach  
Your body tells me something, honey  
You do not preach  
Your face is on my mind  
It's like I'd just sell my soul  
Your move is like no other baby  
You're in control  
There's places that you want me  
And I want you too  
Let's get it together, baby  
Just me and you

Your lips are so sweet  
You're really so complete  
You've got me on the floor  
I want some more, cause

That's the way I like it  
Can't you see, baby  
That's the way I like it  
If you know what I mean, yeah  
That's the way I like it  
That's the way I like it  
Yeah, if you know what I mean  
You know what I mean, oh baby

To satisfy my mind  
I need you really near  
Your lips just keep me kissing, honey  
I need you here

Your touch is on my mind  
I'm ready to sell my soul  
Your move is like no other baby  
You're in control  
I'm burning up inside  
Just like a liquid flame  
You touch me with desire baby  
I speak your name

Your touch is so good  
I wish you would  
Keep on and on, baby  
Woh, I want some more

That's the way I like it  
Can't you see, baby  
That's the way I like it  
If you know what I mean, yeah  
That's the way I like it  
That's the way I like it  
Yeah, if you know what I mean, oh baby

Wow, if you know what I mean, yeah  
Sing uh uh

Yeah, that's the way I like it  
Come on and one two three go, uh  
Uh, woh, that's the way I like it  
Baby...

That's the way I like it  
Can't you see, baby  
That's the way I like it  
If you know what I mean, yeah  
That's the way I like it  
That's the way I like it  
Yeah, if you know what I mean
