

# Human

Five

I'm only human  
Of flesh and blood I'm made  
Ooh, human  
Born to make mistakes

If 5 boys in the house say it loud  
If 5 boys in the house check it out  
If 5 boys in the house say it loud  
If 5 boys in the house check it out

Come on, baby, dry your eyes  
Wipe your tears  
Never like to see you cry  
Please forgive me  
I wouldn't ever try to hurt you  
I just needed someone to hold me  
To fill the void while you were gone  
To fill this space of emptiness

I'm only human  
Of flesh and blood I'm made  
Ooh, human  
Born to make mistakes

If 5 boys in the house say it loud  
If 5 boys in the house check it out  
If 5 boys in the house say it loud  
If 5 boys in the house check it out

When I lay upon my bed  
I reminisce then I wish  
That I got you by my side  
With the cherry red kiss  
Hit me off, make it soft  
Hold me tight through the night  
You know I'm gonna fight  
'Cause the thing we had was right  
But if you go all I know  
I can't go a day without you  
Here in my arms  
Hypnotised with your charms  
Now I'm feeling for your baby  
Ain't you hearing the alarms?  
You can't stop all the love that I got  
Wanna rewind time  
To better days that were hot, check it  
Bring back the better days for me, baby  
You gotta bring 'em back because I'm going crazy  
I go insane with your name up in my brain  
Things will never be the same  
If you ain't up in my frame  
So what you gonna do?  
What you gonna say?  
Tell me that your gonna push your loving back my way

I'm only human  
Of flesh and blood I'm made

Ooh, human  
Born to make mistakes

If 5 boys in the house say it loud  
If 5 boys in the house check it out  
If 5 boys in the house say it loud  
If 5 boys in the house check it out  
If 5 boys in the house say it loud  
If 5 boys in the house check it out  
If 5 boys in the house say it loud  
If 5 boys in the house check it out  
If 5 boys in the house say it loud  
If 5 boys in the house check it out  
If 5 boys in the house say it loud  
If 5 boys in the house check it out
