

Keep On Movin

Five

I woke up today with this feeling,
That better things are coming my way,
I bet the sunshine has a meaning,
And 'til nothing's gonna get in my way,

When the rainy days are dying,
Gotta keep on, keep on trying,
All the bees and birds are flying (ahh),
Never look oh you gotta hold on and
Not stop 'til the break of dawn and
Keep moving, don't stop rocking(ahh)

Get on up, when you're down, baby
Take a good look around, I know it's not much,
But it's ok,
Keep on moving on anyway,

Feels like I should be screaming
Trying'a get it through to my friends
Sometimes it feels that life has no meaning
But I know things'll be alright in the end

When the rainy days are dying,
Gotta keep on, keep on trying,
All the bees and birds are flying (ahh)
Never look oh you gotta hold on and,
Not stop till the break of dawn and
Keep moving, don't stop rocking (ahh)

Get on up, when you're down, baby
Take a good look around, I know it's not much,
But it's ok, keep on moving on anyway,

When the rainy days are dying,
Gotta keep on, keep on trying,
All the bees and birds are flying (ahh)
Never look and you gotta hold on and
Not stop till the break of dawn and
Keep on moving don't stop rocking(ahh)

Get on up, when you're down, baby
take a good look around I know it's not much,
but it's ok, keep on moving on anyway.

Get on up (keep on moving, keep on moving, keep on moving...)
I know it's not much (keep on moving, keep on moving, keep on moving.
..)

Get on up (Keep on moving, keep on moving, Keep on moving...)
