Satisfied

Five

I won't be satisfied
I won't be satisfied

Going round in circles, baby
Trying to think how I'm gonna get with you
I think about you all of the time
And you know that you're blowing my mind
I'm going crazy, baby
Tell me just what I'm supposed to do
You got me going crazy, I don't know what to do, girl
You're rocking my world

If you held me tonight
It would make things alright
Could you love me?
If I held you tonight
I would make things alright
Could you trust me?
'Cause I'm telling you, baby

I won't be satisfied 'til you're here with me tonight
I won't be satisfied 'til I hold you in my arms
You know you mesmerise when I look into your eyes
I won't be satisfied till you're here with me tonight

I'm not the kind of guy to fall in love
But baby, I've fallen for you
I've fallen like an angel for real
It's the way that you're making me feel
Walking the streets all along
Thinking how much I'm gonna get through to you

If you held me tonight
It would make things alright
Could you love me?
Could you love me?
If I held you tonight
I would make things alright
Could you trust me?
'Cause I'm telling you, baby

I won't be satisfied 'til you're here with me tonight
I won't be satisfied 'til I hold you in my arms
You know you mesmerise when I look into your eyes
I won't be satisfied till you're here with me tonight

I can't wait
'Til I hold you in my arms, oh no
And baby, tonight
I can't wait until I look into you're eyes
I know that your lovings the best
Tell me, baby, that it's for real
I want to hold you close in my arms
You know you're everything that I need

I won't be satisfied (I won't be satisfied)
I won't be satisfied (I won't be satisfied)

You know you mesmerise (I won't be satisfied)
I won't be satisfied 'til you're here with me tonight
I won't be satisfied (I won't be satisfied) 'til you're here with me tonight
I won't be satisfied (I won't be satisfied) 'til I hold you in my arms
You know you mesmerise (I won't be satisfied) when I look into your eyes
I won't be satisfied till you're here with me tonight
I won't be satisfied (I won't be satisfied)
I won't be satisfied (I won't be satisfied)
You know you mesmerise (I won't be satisfied)
I won't be satisfied 'til you're here with me tonight
